

association of university and college employees

March 1, 1982

British Columbia Federation of Labour
3110 Boundary Road
Burnaby, B.C.

Attention: Information Officer

Dear Brother:

Given the recent speech of Premier Bennett on retrenchment and the controls to be applied to the public sector as well as concerns raised by our membership can you advise if the B.C. Federation of Labour will be organizing a protest opposing the government's actions?

It would appear to be something that the public sector unions would favour.

Yours truly,

Carole Cameron
Union Organiser
