

**association of university and college employees**

PRESS RELEASE

AUCE Local 1 wishes to make the following announcement:

On July 28, 1983, the membership of AUCE Local 1 passed the following motion in support of the workers at Tranquille Institution:

The membership of AUCE Local 1 firmly supports the action of the Tranquille workers to defend your democratic and trade-union rights and those of your patients. Your action is a model and inspiration to all workers and democratic people in B.C. and is an important contribution to our efforts to defeat the budget and have the legislation withdrawn.
