German Consulate,
Ottawa, Ontario.

Dear Sir:-

November 18, 1936. RECEIVED
am 19. NOV 19 36
Cageb. 211. _____

A member of our family is located in Berlin, Germany, acting in the capacity of Coach for one of the Hockey teams there and at the same time studying at the Berlin University.

We are very desirous of remembering him in some small way at Christmas, since it is his first away from home, and, if possible, would much prefer to prepay the duty, if any.

We would greatly appreciate it if you would be so kind as to advise us by return mail, using the enclosed self-addressed stamped envelope, the rates of duty prevailing on the following and, also, what procedure would be necessary to prepay same so that he will not be inconvenienced in any way -

Fruit Cake
Apples
Woollen Ties
Woollen Socks.

If there are any items which enter Germany duty free we would also be grateful to learn of them.

We regret troubling you in this connection but had no other alternative since we were able to obtain little or no information from the Customs Department here.

If it would be possible for you to reply promptly it would be of considerable assistance to us since the overseas mail closes December 1st.

Thanking you in anticipation of your assistance in this regard, I am

Sincerely,

lm
