Dear Sirs:-

Messrs. Kopp & Schlenker, of Schwennin-
gen, have written to me, saying that they have received
a letter from you to the effect that you intend to ex-
hibit their samples in the Foreign Department of the
Canadian National Exhibition, and that the application
for space, etc. will have to go through the German
Consulate.

As I am unaware of this latter condition,
I shall be obliged if you will kindly let me know from
whom you have obtained this information. I shall also
be glad to receive any other information bearing on
this subject.

Yours truly,
