Dear Carol,

I am enclosing your new union card which is attached to the initiation fee receipt. Both documents should be signed by you. The receipt is for your files.

On checking your file, I discovered that you have not completed a membership record form. Please return this completed form to this office at your earliest convenience.

Thank you for informing us of the change.

Yours truly,

Wendy G. Lymer,  
Secretary-Treasurer,  
AUCE Local One
