Dear Sir:-

Upon suggestion of the Commercial Attache of the
Consulate in New York I approach you on the following matter.

I am representing the firm of -

Gebr. Doerstling G.m.b.H.,
Grenzstrasse 5,
Coswig bei Dresden, Germany.

This company delivered sometime ago some material to Gausden Limited,
Montreal, and received a note for the amount of RM. 2,800.-- which has
not been paid and was protested. I have inquired in several places
and it does not seem that this concern is in financial good standing
and that a law suit would probably throw the company into bankruptcy.

As it might be necessary to engage the aid of an
attorney I would be very thankful to you if you would give me the
name of a reliable attorney in Montreal and thanking you in advance,
I am,

Very truly yours,
