Dear Sirs,

In reply to your letter of the 4th inst., I wish to inform you that barter transactions have, for more than a year, not been permitted any more. The Commercial Attaché left for Europe yesterday, but will be glad to discuss the question of importing goods from Germany upon his return at the end of April or beginning of May. Should you desire to get any more information on questions pertaining to the exportation to Germany, I would advise you to get in touch with the Canadian Government Trade Commissioner, Hamburg 1, Moenekebergstr. 31.

Yours very truly,

(Dr. H. Eckner)  
German Consul.
