4946 Canada Way
Burnaby, B.C. V5G 4J6

Dear Mr. Robson:

Yet another work location that needs your inspection.

In the Library Processing Centre, 1st floor, the Prebindery Division, there is a large xerox machine and an automated paper cutter. We have had complaints that the noise, particularly from the paper cutter, is deafening. The paper cutter is operated 2 to 3 times per day from 10 to 30 minutes each time. A key is required to operate the machine and this is in the possession of Rick Welch, the Library Assistant IV supervisor in Catalogue Products.

The machine, I understand, is located in a hallway on the main floor immediately adjacent to the washrooms.

We appreciate your checking into this matter and for your report in due course. Thank you.

Yours truly,

Carole Cameron
