Dear Sirs,

Today we once more beg to refer to your trial-order of the 26th October 1936 upon some of our "Mors" Rat Crumbs being the contents of our invoice of the 19th November 1936, which is always yet unsettled. On the 10th June 1937 we already reminded you of the sum of

RM 43.60

and beg you now very urgently to settle the above amount up to the 15th of May otherwise we should be forced to transfer the matter to the consulate.

Hoping that you will now remit us the small amount we remain, dear Sirs,

Yours faithfully
