Dear Sirs:

Your letter of November 4th, addressed to the German Consulate General at New York, has been forwarded to me for attention. In reply I would suggest that you address your enquiry to the U. S. Department of Commerce <sup>at Washington</sup> who, undoubtedly, will be in a position to supply you with the desired information regarding the products of the Ficks Reed Company of Cincinnati, Ohio.

Yours very truly,

S/H

for L. Kempff  
German Consul General
