Dear Lars,

This is a note to confirm the order which I 'phoned in to your home number this morning for:

12 cassettes (quoted price - \$4.95)

100 booklets (quoted price - \$1.95)

The Grievance Committee of AUCE Local 1 was most impressed with them and we are looking forward to receiving them and getting the initial reactions from our stewards. We had no changes to make in content etc. and I believe that you already have a copy of our letter-head in order to "customize" them.

I shall be away, probably until April 8th or 15th on vacation, but suggest that you get in touch with either our Union Organizer: Ms. Jackie Ainsworth at the above number, or our Treasurer: Ray Galbraith, work: 228-3241, home: 874-2068.

I will be in touch with you when I get back from vacation, as I am particularly interested in the seminars that you were discussing. Once again, you can always be in touch with Ray or Jackie if anything is coming up in the immediate future. Best wishes,

Yours truly,

*L. A. Hickey*
