Mr. Jerry Anderson  
Executive Member  
DIVISION D

Jerry

At the membership meeting June 10/76 you stated that "It was your intention to institute procedure for the recall of Francis Wasserlun as treasurer of the Union".

In order to save the sanity of the executive and the union as a whole, I strongly suggest that you proceed with your recall as mentioned above, or that you resign from the executive of AUCE LOCAL I as soon as possible.
