

AUCE, Local #1  
2162 Western Parkway,  
Vancouver, B.C.

April 27, 1976

To: Ian MacKenzie,  
President, Local #1

Please accept this as my resignation from both the position of Trustee and as a member of the Working Conditions Committee. It has become very apparent to me in the last few months that I do my worst work under too many constraints and pressures, and lately that is exactly what my life at work and away from work has been characterized by.

I feel quite certain that I will be more useful to AUCE as a free agent. This should not be misunderstood to mean that I am relinquishing any of the duties that I am currently engaged in for either of the two positions. I fully intend to complete them or to continue them till another individual is elected to take them over.

It has been a pleasure to have worked with the Executive and for the membership of the local. And I especially wish to thank everyone for their forbearance of a rank amateur.

Sincerely yours,

*Robert Gaytan*
