Ken Andrews
C.U.P.E. 116

Dear Mr. Andrews:

I am enclosing a letter received in error by our office. On July 25, Christine Tam, a C.U.P.E. member and U.B.C. employee at the Faculty Club sought direction from this office in the matter of the enclosed letter received by her from the Unemployment Insurance Commission. Once we discovered that she was a C.U.P.E. member, we tried, on July 26, to contact your office and in the end referred the matter to the C.U.P.E. provincial office in Burnaby.

I understand, from talking with Ms. Tam today, that she is now in touch with your office and has been directed to reply to U.I.C. referring the matter to C.U.P.E. representatives.

Yours truly,

Ian A. Spence
Vice President
