TO: Ms. Rosemary Brown

FROM: AUCE Local #1 Communications Committee

Attached are briefs (some or all of which were submitted to both Premier Barrett and Labour Minister William King with covering letters), copies of press releases, newspaper reports, our July 31st Newsletter, information bulletin and reprint of Mr. Barrett's statements in February of this year.

We were told that you would like to have this information and when I spoke to your husband after a meeting at UBC yesterday he suggested that I send all this to your home address.

Thank you for your interest, and we will keep you informed and send you future issues of our Newsletter as they are printed.
