

A.U.C.E. now has a majority!

JOIN

Now!

A majority of UBC's clerical and library workers have joined A.U.C.E. We now have 550 members. But we need a stronger majority to apply for certification by the Labor Relations Board.

Certification will mean that the administration will be legally required to deal with us as a group, rather than as individuals. It will give us a voice in determining wages, working conditions and job classifications; and a grievance procedure to ensure equal and fair treatment for all employees.

AUCE WILL APPLY FOR CERTIFICATION ON DEC. 14/73. Before then, we want to sign up as many members as possible. If you would like to join, or know someone else who might, contact:
