NOTE TO FILE
GRIEVANCE COMMITTEE

Bonnie Schoenberger, Division F called today. There is a woman working in International House for CUSO. She is not paid by UBC, she is paid by CUSO. She says she joined the Union and paid her \$1.00 fee. She is not on the payroll list, and is therefore not being deducted union dues. She is getting angry because she never receives notice of meetings, minutes, etc.

Should she be in the bargaining unit?

Leave word for me or someone call Bonnie at 5966 and tell her what should be done.
