

# AUCE PROVINCIAL

June 9, 1978.

Fleck Strikers,  
c/o Organized Women Workers,  
15 Gervals,  
Toronto, Ontario.

Dear Sisters,

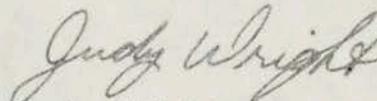

At our union's annual convention, a motion of support for you and your strike was passed.

The majority of our members are women and one of our priorities as a union is to overcome problems working women face. Our union has been in existence since 1973 and we represent clerical, secretarial and library workers, maintenance workers and teaching assistants at two universities and three colleges in B.C. We are aware that we are all involved in the same struggle as you are - the struggle to overcome prejudices that exist against the value of our work. Therefore, by supporting your cause, we are also supporting our own.

Enclosed is a cheque for \$100.00. We wish it could be more, but we are a small independent union with limited resources.

We wish you success in reaching your goals.

In solidarity,

Judy Wright,  
Provincial Association Secretary-  
Treasurer,  
for and on behalf of AUCE.
