_____ Unt.

Dear Sir:

With further reference to Major Parmelee's letter of the 8th of December, in connection with the International Automobile and Motorcycle Exposition, Berlin, from February 18th to March 6th, 1938, I regret to advise that I have today received a letter from the Canadian Manufacturers' Association stating that the Association has canvassed members who might be interested, but have not been able to locate any who have expressed an intention to participate, especially as the time is very short.

Yours very truly,

Acting Deputy Minister.
