Dear Kitti:

Section H VACANCIES IN LOCAL ASSOCIATION TABLE OFFICERS POSITIONS, subsection 1. states:

"Any Local Association Officer will have her/his office declared vacant if she/he misses three (3) consecutive Executive meetings without reasonable excuse."

At the Executive meeting of February 19th it was decided that your position be considered as vacant due to the number of meetings you had missed. Therefore, at the March union meeting nominations will open for one position as Provincial Representative. We also opened nominations at the February union meeting for one position as Alternate Provincial Representative.

It is unfortunate that no one thought to have an alternate for you when you went on leave. Susan has had great difficulty trying to attend meetings and do all the work herself. This has been a trying time for the Provincial Representatives due to the differences that have been occurring between our Local and the Provincial. At the union meeting last Thursday the Local voted to not pay the back per capita tax owing to the Provincial.

There is not usually great competition for the Provincial Representative positions and naturally you could run again for the position if you so choose.

Fraternally,
