Mr. Ian McKenzie, President
Association of University & College Employees
Local No. 1, 4162 Western Parkway
UBC Campus

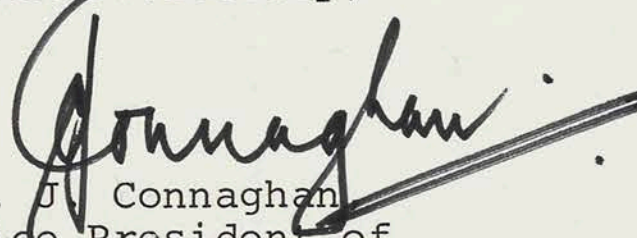

Dear Mr. McKenzie:

The President has stated his intention to undertake certain initiatives concerning women employed in both the academic and non-academic areas of the University.

As part of this program, I propose to establish a series of fact-finding committees to examine the University's personnel policies and work practices as they relate to women in the non-academic sector. I am therefore writing to seek your cooperation and request a meeting with the executive body of AUCE, Local #1, to discuss how we might best proceed, on a joint basis, with such a study.

Might I suggest that you call my office so that we can arrange a mutually convenient date for such a meeting.

Yours sincerely,

C. J. Connaghan
Vice President of
Administrative Services
