Dear Ms. Nason:

Re: Job Postings

In response to your letter of September 15, 1982, I am unsure whether you expect our comments on the entire list or just on how the Job Postings apply to our Union.

At the moment we receive five and sometimes six copies of each issue. We have reviewed this and feel we can make do with two copies.

With respect to the remainder of the addresses, as long as each office in which AUCE people are working receives a copy we will be satisfied.

I appreciate your consideration in requesting our comments.

Yours truly,

Carole Cameron
