Dear Sir:

As export sales representatives of the Ficks Reed Company of Cincinnati, Ohio, we are negotiating selling agreements with overseas buyers and agents for the products of the Ficks Reed Company and we would much appreciate your giving us the following information which will be required to facilitate shipment of the goods in good order:-

A list of the documents necessary to cover shipments to your country, from the U.S.A., with blanks of these forms, or information where they may be obtained in New York.

What Consular fees, if any, are payable, and whether there are any special regulations or requirements applicable to goods on entry into Germany from the U.S.A.

What Customs duties are payable on the entry of Hammocks as shown in the enclosed illustrated leaflet.

The favour of your early reply will be greatly appreciated.

Yours very truly,

UNITED EXPORT & IMPORT COMPANY
