re: Invoice # 00630 for cost of salaries and benefits paid
while employees were on Union business.

Dear Sir:

According to our information Wendy Lymer (for whom on this invoice there is a charge of \$52.43) was a witness summoned by the University as per article 16.01 of the Collective Agreement.

Therefore we will not pay the charge of \$52.43.

On behalf of the Executive for AUCE Local I.
