

AUCE PROVINCIAL

February 19th, 1980

AUCE Local 1
2162 Western Parkway
Vancouver, B.C.

Dear People:

This letter is to inform you that the Special Convention on Affiliation has been called for April 12th and April 13th, 1980.

The Convention site has not been settled but it will most likely take place at one of the campuses and will definitely take place in Vancouver,

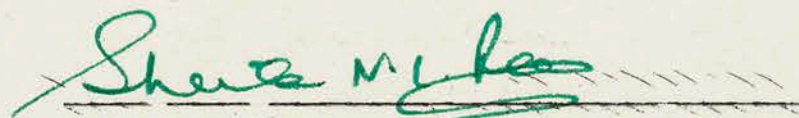

Resolutions and Constitutional Amendments concerning affiliation are in order and it is only the subject of the affiliation that will be addressed by the Convention.

Please refer to Section 14: CONVENTIONS, of the AUCE Provincial Constitution, for Convention procedure.'

Regarding the selection of delegates, please refer specifically to Section 14: part 'C' - 4: "Delegates selected to the Annual Convention shall serve also for any Special Convention except as decided by a local association." I will be in touch with the Local Executive in order to discuss problems seen by the Provincial Executive regarding delegate selection.

As soon as other details of the Convention are settled they will be relayed to the local. Within the next few days the Provincial Executive will be setting deadlines for submission of Resolutions and Constitutional Amendments, and as soon as that has been established the local will be informed.

In Solidarity,

Sheila N. L. Perret
Secretary-Treasurer
