Mr. Robert J. Qua,
204 Commerce and Transportation Bldg.
Front & Bay Streets,
Toronto 2, Ont.

Dear Sir:

In reply to your inquiry of December 31st I beg to say that no consular permits are required for goods to be returned to the makers. It is advisable, however, that the shipping documents be accompanied if possible by a copy of the invoice, made out by the German manufacturers.

Yours truly,

for L. Kempff
German Consul General.
