

WHAT IS A SCAB?

After God had finished the rattlesnake, the toad and the vampire, he had some awful substance left with which to make a SCAB. A SCAB is a two-legged animal with a corkscrew soul, a water-logged brain and a combination backbone made of jelly and glue. Where others have hearts, he carries a tumor of rotten principles.

When a SCAB comes down the street, men turn their backs and angels weep in Heaven, and the Devil shuts the gates of Hell to keep him out. Judas Iscariot was a gentleman compared with a SCAB. For betraying his master, he had the character to hang himself - a SCAB hasn't.

Esau sold his birthright for a mess of pottage. Judas Iscariot sold his Saviour for thirty pieces of silver. Benedict Arnold sold his country for a promise of a commission in the British Army. The modern strikebreaker sells his birthright, his country, his wife, his children and his fellow men for an unfulfilled promise from his employer, trust, or corporation.

Esau was a traitor to himself, Judas Iscariot was a traitor to his God, Benedict Arnold was a traitor to his country. A strikebreaker is a traitor to himself, a traitor to his God, a traitor to his country, a traitor to his family, and a traitor to his class.

There is nothing lower than a SCAB.
