To the Secretary

Dear Jean,

As a union comprised mostly of women workers we are greatly interested in the work SORWUC is doing. If you could send particulars of your organizing drive downtown to me I would be glad to move at the next executive meeting that AUCE Provincial send \$200 to SORWUC to pay for organizing leaflets.

At this time a committee of Nancy Wiggs and myself are investigating the question of affiliation for the June Convention. We would be interested in discussing with your union ways in which we might work together.

Sincerely,

Melody Rudd
