Dear People:

Please find enclosed our order form for a 1980 subscription to Trade Union Law. I say 1980 although the \$50.00 fee is for six issues. Will they be published bimonthly?

We have the first issue already and it is not necessary to send us another one. The publication appears to be a good one which we hope there will be considerable support from other trade unions for.

Fraternally,

Carole Cameron
