

Association of University and College Employees

MINUTES OF THE PROVINCIAL EXECUTIVE MEETING

MAY 15/75 7:30 pm Humainties
Meeting Room
Cap College

Sandy Lundy chaired the meeting.

Sandy Lundy stated that the SFU delegates would not be able to vote as they were not members in good standing of the Provincial Association because their per capita tax to the Provincial was in arrears.

Jackie Ainsowrth moved)that the letter re:the SFU per capita tax
Ruth Dirksen seconded)from SFU be considered first on the agenda.
Carried

Sandy Lundy read the SFU letter. (see attatched)
A draft respnse to the above letter was read by all those present.

A draft
Jackie Ainsworth moved)that the Provincial Executive grant a dues
deferral for AUCE Local 2 (SFU) until they
have a dues check-off.

The Chair refused to entertain the motion saying it was unconstitutional.

John Renforth moved)that the Provincial Executive will accept a
Ruth Dirksen seconded.)legal note to cover the period Jan. 1/75
until June 21/75 in lieu of per capita tax for
AUCE Local 2 (SFU) due and payable on June 21/75
and that SFU members will then be considered
members in good standing of the Provincial
Association.

Drena McCormack said that she wished to discuss the previous motion with the AUCE Local 2 lawyer to check the legality. After discussion with the lawyer who she left to call, it seemed that such a motion was quite legal.

Jackie Ainsworth moved)that in view of the seriousness of the above
motion and that there were hardly any delegates
present that were going to be able to vote on
the issue move to adjourn this meeting until May
31/75.
CARRIED.

Ruth Dirksen gave Notice of Motion:
That at the next meeting we review the per capita tax situation of all the Locals.

& College Employees
2162 Western Parkway
VANCOUVER, B.C. V6T 1V6

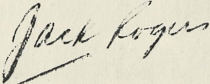

Dear Jackie,

As directed by the Executive of AUCE Local 2, Simon Fraser University, I wish to request a deferment of payment of our Provincial per capita tax until after the signing of a collective agreement with our employer and the implementation of check-off.

As I am sure you are aware from speaking with our provincial representatives, we have had the expense of a long organizing drive, prolonged negotiations and a recent 9 day strike. There were of course heavy expenses during the strike, and we have also set up a "loan fund" for emergency financial assistance to our members. We already have a request before the Provincial Association for a loan to match our "emergency loan fund." It is because we do not wish to strip ourselves of current expense monies and severely limit our loan fund to pay off our Provincial per capita tax that we wish to defer payment of this tax until we have the benefit of check-off. Attached is a copy of our current financial statement.

Thank you for your consideration of this request.

Sincerely,

Linda Millard
Treasurer
A.U.C.E. Local No. 2
