Dear Patsi:

You have expressed some interest to us concerning housing co-operatives applying for Endowment Land. You mentioned the subject of Discovery Parks and I wonder whether you are aware that our Provincial Association has a Cross Local Cmtte that is meeting to discuss discovery parks. Roslyn Moran of the Government Publications Division, Main Library has agreed to stand as one representative from our local but we would like to have more people if possible. You may know Roslyn as you work in the same building.

The next meeting of the cross local committee is meeting on Wednesday, March 11 from 7:00 to 9:00 p.m. in the Provincial Office. I am sure you could attend if you wished. In addition I would nominate you for this committee at our next union meeting if you would agree to stand. Let me know what you think.

Yours truly,

Carole Cameron
