Dear Ms. Nason,

We have been informed that the Health Sciences Association will be picketing St. Paul's Hospital on Monday, Oct. 20. We consider any picket lines put up by the HSA at that hospital to be bona fide picket lines, as per Article 17.01.

We do not consider the one position at St. Paul's which you have designated as essential to be essential under the definition of essential services given in the Labour Code or the Essential Services Disputes Act.

Sincerely,

Ted Byrne
Union Representative
