Re: Wilhelm Schultz, Edelsteine - Idar-Oberstein 3.  
Tiefensteinerstrake 284, Germany.

In June of this year we had a request from Wilhelm Schultz to obtain samples of Labrodite stones, they also were inquiring elsewhere but we were able to obtain these stones after a great deal of trouble and sent them forward in July making a small charge of \$3.50. X We received no settlement and after writing again Wilhelm Schultz wrote us October 5th that as soon as they had the agreement for paying they would remit, we have never been paid, if there is anything you can do to obtain this for us we will appreciate it.

Yours truly,

FRED H. POPE & CO.,

Manager.
