Poland Cancels Deal To Exhibit at C.N.E.

Toronto, August 21.—(C)—Elwood Hughes, general manager of the Canadian National Exhibition, said tonight he had received word from Jan Pawlica, Polish Consul-General for Canada and Newfoundland, that Poland has been forced to cancel all arrangements for an exhibition at the C.N.E. this year because of unsettled European conditions.

Polish Consulate officials said "everything has become so unsettled in Europe" their country has been forced to withdraw. They are confident, they said, that their Government "will be exhibiting once again next year."

Poland had an exhibit at the fair last year for the first time.
