Re: A.U.C.E. bulletin board for Law Library (your memo of Oct. 7/74)

I have been in touch with our union Organizer, Ms Anne Hockey (224-5613), who advises me to ask you to contact the A.U.C.E. Executive in regard to this matter. They will be having a meeting on the last Wednesday of this month and would be able to give consideration of this expenditure at that time. (As a Shop Steward, I do not have the power to do this.)

If you contact Ms Hockey at the above number, I'm sure she will be most happy to help you.

Thank you for your consideration.

Sincerely,

Jerry Andersen, Law Library Shop Steward (A.U.C.E.#1)

Re: A.U.C.E. BULLETIN BOARD FOR LAW LIBRARY.

The contract between U.B.C. and the A.U.C.E. calls for bulletin boards to be made available for the use of the union. The costs of the boards and their installation are to be shared equally by the University and the A.U.C.E.

I propose to install a 24 inch by 36 inch board on the northern end of the east wall of room 210. The cost is expected to be \$25 or \$30 installed.

Please let me have your written response to this proposal as soon as you are able so that I can initiate the appropriate work request.
