Local #3 of AUCE is at Notre Dame University in Nelson B.C. and is certified for a bargaining unit of 38 people. They are not only the first local of AUCE to be certified by the LRB but have also been negotiating their first contract since last May.

Since AUCE Local #3 is very close to strike action we the undersigned wish to place the item below on the upcoming referendum for approval of the membership.

"In the case of a strike or lockout of AUCE Local #3 at Notre Dame University in Nelson while negotiating for a first contract to authorize the executive of AUCE Local #1 to place a single levy of \$2.00 as a per capita assessment on each dues paying member of the UBC bargaining unit to provide local #3 with funds for a strike and defense fund."
