Mr. Ian Mackenzie, President
A.U.C.E. Local #1
c/o Mail Sorting Room
Campus Mail

Dear Mr. Mackenzie,

I too regret not being able to attend Tuesday's meeting, however, my time was under the control of an arbitrator.

As you know, the purpose of the meeting was for the two committees to meet and to schedule time for negotiations so that the kind of absence that occurred Tuesday will be avoided.

Due to the emergency nature of my involvement in this other matter Monday, Tuesday, and Wednesday this week, I was not aware that our meeting of Tuesday had not been postponed. I assure you that this is no indication that I shall not be giving the highest priority to the negotiations between A.U.C.E. Local 1 and the University.

Yours very truly,

R.A. Grant, Director
