The Local One Executive Subcommittee on Affiliation will meet Monday, July 30th, 1 p.m., in the Union Office. If the time or date is inconvenient for you, please contact me and I will try to arrange an alternative.

Lissett is, so far, the only Local One member who has expressed an interest in representing the Local in the Provincial Committee on Affiliation with the Canadian Labour Congress.

My information is that the Provincial Executive have already initiated negotiations with the C.L.C.; a letter outlining the mandate to affiliate given by the Provincial Convention has been sent to the C.L.C. I will undertake to obtain a copy of that letter in time for the Subcommittee meeting.
