Dear Friends:

In preparation for negotiations for the 1980 contract, our Contract Committee wishes to research contracts presently in force in jurisdictions similar to our own. (AUCE is the bargaining agent for approximately 1400 clerical workers on the U.B.C. campus.)

We would appreciate it if you would forward to us a copy of your latest collective agreement. Please feel free to bill us for any related costs.

Thank you.

Sincerely,

Ian A. Spence
