Dear Mr. Scully,

The firm of B. HOOGEN & CO., Daelken, Germany, have inquired regarding the Canadian customs rates on linen thread, fancy and double-twisted (linen harness cord). I should be obliged if you would kindly inform me of the tariff rates on this item.

At this occasion I wish to thank you again very sincerely for the kind reception which you afforded the undersigned when calling on you upon his first arrival in Ottawa last week.

Yours very truly,

The German Consul General
