Dear Sir,

With reference to your letter of the 12th inst., concerning an inquiry of GUSTAV RAFFLENBEUL, Schwelm i.W., Germany, I wish to thank you for the valuable information about the tariff status of the various articles mentioned therein. According to your suggestion, I beg to enclose herewith the sample clips of iron and brass which by an oversight had been kept in the Consulate General's files, and I should be grateful if you would kindly advise me as to the rate of duty to be applied to them.

Thanking you in advance, I am, dear Sir,

Yours very truly,

(L. Kempff)
German Consul General

The Commissioner of Customs
Department of National Revenue
