AUCE Provincial  
#1106 - 1330 Harwood St.,  
Van. 681-7875

March 16/76

Dear Secretary,

As of March 8/76 I began working full-time for the Provincial Executive of AUCE. One of my main objectives is improving communications among the locals. There are also finances to straighten out regarding the office. I would like to attend a meeting(s) of your executive to discuss this further. If this meets with the approval of your local, please contact me at 681-7875 between 11:00 - 3:00 Mon.-Thurs.

Hopefully you have received that AUCE Provincial Newsletter of March 8/76. The last article is a letter contesting the referendum for Sec.-Treas. as the full-time rep. The hearing will be held April 3rd at 2:00 in the AUCE Local 1 office. A motion was passed at our last executive meeting that executive members from the locals be invited to attend. The problem is that although it is the tabulating committee on trial, the provincial executive had as much to do with the referendum as the tabulating committee. So it is almost the same people who committed the offence who will be judging the offence. This is one reason we feel it is particularly important that other members come to this hearing.

Sincerely,

*Melody Rudd*
