Dear Sir, re Documentation for Germany

In reply to your letter of January 30th,
-file Nr.25011-A - I beg to say that all the
official information which I have received from
my Government on the subject of proof of origin
for Canadian goods, shipped into Germany, is con-
tained in my letter to the Department of External
Affairs under date of January 3rd.

As far as I am aware, there
is no particular wording ^{prescribed for} to be used in making
the declaration of origin. I have reason to be-
lieve that invoices showing name and address of
sender and consignee; number of packages; kind of
packages; mark, and numbers; weight-gross and net;
transportation used (rail, mail, ship etc.); con-
tents of packages, and bearing the the following
declaration:

"I herewith certify that the
above goods are of Canadian
origin"

(place, date)

(signature)

will be acceptable to the German Customs authorit-
ies.

Yours very truly,

S/DO

for L. Kempff,
German Consul General.
