Burnaby, B.C.

Dear Stella:

Enclosed please find a copy of the University's job descriptions and our latest contract which shows the new restructuring of pay categories (pages 56-57). I've also included a copy of our first contract as a point of comparison.

If you would like to get more information on this, I would suggest you call Dale McAslan, chairperson of last year's Contract Committee, at 228-2761.

Sincerely,

Peggy Smith
