1. Minutes of the Meeting of Wednesday, July 28, 1983:  
Adopted as circulated.
2. Business Arising:
  - a) Asbestos:  
Dr. Riedel wrote on October 5 to Vice-President Kennedy stressing the urgency of the situation and the importance of having the asbestos removed as quickly as possible. The letter referred only to the first floor. It was noted that there may be concerns on other floors as well due to water leakages.
  - b) Terms of Reference: VDT Committee:  
Mr. Nerland will distribute these prior to the next meeting.
  - c) Mall Area - Obstructions:  
The Chairman of the Mall Committee has determined that no diagrams exist to provide guidelines for displays in the Mall Area. Anyone with concerns in this regard is asked to contact the UBC Fire Marshall (local 5415) who will review the setup and recommend changes where appropriate.
3. New Business:  
Mr. Nerland noted that on September 20, 1983 he had distributed copies of "Procedures in Case of Emergencies on Campus" to committee members for posting. Those present confirmed that they had been received.
4. Next Meeting:  
Wednesday, November 26 at 9:00 a.m. in the fourth floor Conference Room.
5. Adjournment:  
The meeting was adjourned at 9:20 a.m.
