CAMPUS MAIL

Dear Cathaleen:

I am returning your cheque for \$1.00 to you herewith. We have no record that you ever completed the application for membership form or that a union card was issued to you. It would be helpful if you had enclosed a copy of your union when you sent the cheque.

However, the union will not hassle you for \$1.00. If you state that this has been paid already then we will alter our records to indicate that you are a member.

Yours truly,

Carole Cameron
