Friends:

Further to our donation and letter dated June 13, 1979, the general membership of AUCE Local One at its regular membership meeting June 21, 1979, approved the following motion:

THAT AUCE Local One express moral support for the SFU 18 and demand that all charges be dropped.

Members of the Local One executive attended the opening of trial proceedings on June 21 and plan to attend as many of the remaining trial dates as possible.

The Executive will be grateful if you would keep Local One apprised of developments, particularly when there are further measures of support we can take.

Thank you.

Sincerely,

Ian A. Spence  
Vice-President
