Mr. W. L. Clark
Assistant Director
Employee Relations
Campus Mail

Dear Mr. Clark:

Further to your letter of June 18 and mine of June 29, and as per Article 31.01 Job Descriptions, this letter will serve as notice of A.U.C.E.'s objections to the reclassification of the position currently held by Ronald Precious from Senior Theatre Assistant to Intermediate Technician (C.U.P.E.), and to the revised specific job description which apparently rationalizes the change.

It is A.U.C.E.'s position that the job duties presently performed by Mr. Precious fall within the scope of the Standard Job Description for Senior Theatre Assistants.

In taking this position now, we are complying with the sixty days' limit set out in Article 31.01. However, we are still interested in receiving from your office details of the Reference Committee's reasoning in recommending the reclassification.

Yours truly,

Ian A. Spence
Vice President
