Dear Jennifer,

Herewith the Momentous First Cheque for the per capita tax
which Local 1 owes for our first dues collection in May, 1974.

The attached cheque is made out in the amount of \$459.00,
and it is possible that another supplementary cheque will be forwarded
to you when we have taken a final run at reconciling the dues
collection. However, we felt we would not keep you waiting any longer
for the bulk of the tax owing the Provincial.

I hope you have a successful meeting on Sunday.

Sincerely,

Sandra Lundy,
Treasurer,
Local 1.
