Dear Mr. Fryer,

Many thanks for your letter dated May 11, 1976 with regard to having representation from our Local to discuss federal and provincial wage and price control programmes.

As I am the only paid representative of AUCE Local 1 it would be difficult for our executive members to attend meetings scheduled during the day. This is most unfortunate as we would very much like to have input into such discussions and have the opportunity to become familiar with the positions of other unions.

If indeed there is an opportunity to meet with the representatives you speak of in your letter during the evenings or on weekends we would be certain to have representation at that time.

I would appreciate hearing from you in the near future if other unions are amenable to such a proposal, our office number is 224-5613 and I can be reached there during regular working hours.

In Solidarity,

Ms. Fairleigh Funston
Union Organizer AUCE Local 1
on behalf of the Executive
